FOR IMMEDIATE RELEASE

Eastbound I-210 La Crescenta Avenue Long-Term Ramp Closure

LA CRESCENTA-MONTROSE – The California Department of Transportation (Caltrans) will close the eastbound Foothill Freeway (I-210) **La Crescenta Avenue on-ramp** beginning Thursday, February 23 as part of a pavement rehabilitation project. The eastbound Pennsylvania Avenue on- and off-ramps, closed in January for construction activities, will open on the same day.

The ramp closure will remain in effect through spring 2017, and is weather permitting and subject to change. Motorists attempting to access I-210 are encouraged to use alternate routes.

Detour signs will be posted. Flatiron West, Inc. is the contractor of this \$148.5 million project. Once the project is completed in 2018, the new surface will provide a smoother, safer drive for motorists, reduce time required for maintenance and minimize the need for further lane closures.

For real time freeway traffic information please visit the Caltrans Quickmap, quickmap.dot.ca.gov

Caltrans thanks you for patience and understanding during construction and reminds you to **“Be Work Zone Alert.”**
